# GRACE YARD SALE (GYS) POLICY ON PRICING (1/2/2026)

Merchandise located in the “garage door” area of the warehouse is **NOT AVAILABLE FOR SALE**. It is being processed and priced. It is not available for sale until it is moved to the floor.

Prices are on the affixed price tag and are generally **40% below** what is available for a comparable item elsewhere. If an item has the month of arrival (e.g., Sep ‘24) on the back of the tag, the price **may be reduced by 10%** per month after arrival.

If an item is on the floor without a price, please ask one of the volunteers. They will price it or look for the sign in the area that shows the price.

**PRICE NEGOTIATION:** GYS will negotiate prices when requested in a **cordial manner** to find a price that benefits **both** the community and the customer. **100% of our net proceeds go to the community.**
